ABOUT EXEC-Q-FORCE GROUP

Exec-Q-Force Group PTY(LTD) referred to as EQF was founded by James Smith with the objective of creating a world class company that is committed in offering the ultimate outsourcing solutions in the fields of Logistics, Fleet management, Warehousing, Operations Management and Vehicle Transport Services in both South Africa and neighbouring countries.

Gathering a management team with the collective experience of over 100 years in the logistics, communication and outsourcing industries to help focus and deliver the ultimate standard in quick and quality solutions for your business. Granting the opportunities for your business to elevate to new heights of success.

We are a BBBEE Level 2 Rated Company.

STRATEGY

VISION STATEMENT

To provide quality service that exceeds the expectations of our esteemed clients, thus providing a more secure and trusting environment for our and client goals & values to be reached uninhibited

MISSION STATEMENT

To build a long-term relationship with our clients and provide exceptional customer services by pursuing business through innovation, expertise, strategy and adaptability.

VALUES

We believe in treating our customers with respect and faith. We grow through creativity, invention and innovation. We integrate honestly, integrity and business ethics into all aspects of our business functions.

BUSINESS GOALS

Increase the assets and investments of the company to support the development of services. To build a good reputation in the fields of outsourcing, logistics and operations management and become a key player in the industry.

SERVICES

DRIVERS

We use experienced and skilled drivers to collect and transport desired vehicles or stock from A to B. Making sure it arrives when you need it. Our driver services include intercity, depot and pick & delivery with a variation from small vehicles licences to code 14 with pdp

CLEANERS

Whether for your business's fleet or buildings we can provide you with cleaners with the necessary tools to keep your business spotless and moving.

FLEET MANAGEMENT

We also provide a one stop solution in managing depots and distributing vehicles to the relevant locations. Our trained staff can collect, quality check, clean and distribute the fleet to the client on behalf of your company.

LONG/LOCAL DISTANCE PICK UP & DELIVERY

Need a vehicle picked up and delivered to anywhere in South Africa? We can provide with enough drivers to effortlessly move your vehicles whether it a single vehicle or your entire fleet. Cross border delivery & pick up option available upon the availability of drivers.

EXPEDITERS

Expediters can be used to track your fleet either on or off location. Making sure that your fleet of vehicles are where they need to be. Minimizing your risk of theft or timely deliveries.

WAREHOUSING

We can provide you the necessary staff you need. These include Pickers, Packers, RF Pickers, RF Loaders, General Workers, Admin, Receivers, Ops Assistants, Controllers, Scanners, Forklift Drivers or Code 08, 10 and 14 Drivers.

OTHER SERVICES OFFERED

We can include services like Car-Park Attendants, Quality controllers, Pump attendants and general workers.

Need something else for your business? We can adapt to what your company needs when you need it.

CLOSING

EQF wants to help your company reach its goals and far beyond by giving you what you need to reach it and more. We are your partners in building a bigger, better you.
